

Terms of Use

Thank you for purchasing our products. Please know, we work very hard to provide unique, functional, and beautiful printables and frameables. We have our prices low for you to enjoy on a personal level, not as a commercial business product.

- You may NOT share your login information, downloadable link, or any files with others.
- You may only print what you purchased for your personal use.
- You may NOT use your purchase in any commercial means.
- You may NOT resell anything made from the purchases.
- You may NOT share the file as a photo image on any social media, blog, website, or other social means such as Pinterest. This makes it too easy for others to copy the image as a stand-alone.
- Free downloads also apply to the above terms of use.
- Making gifts out of the printables is highly approved and recommended!
- We would, however, appreciate a share of the final image printed and used; to any public domain, please credit the store and actual product link from the address bar.

Digital Products

Since this is a downloadable product, all sales are final. We do NOT accept returns, refunds, or cancellations of any digital product.

Free items

If you are subscribed to our mailing list and receive offers of free downloads for being on our subscriber list, you may NOT share or give any of the free downloadables to anyone. They will need to subscribe to be on the mailing list in order to reap the benefits of being a part of the subscriber community.

Printer malfunctions

We are not responsible for any printer errors. If you are having issues printing, you will need to seek support from your printer company. All the downloadables here in the shop have been 100% tested as printed on a standard brand name printer to ensure they are ready to be printed.
